## Chapter 1 : The Good Language Learner Workshop Tesol

1.1 'the good language learner', according to my experiences, and my thoughts regarding whether strategies can be taught in my 12 years as an efl language teacher and 5 years as a teacher trainer, i have noticed that most of 'my' best language learners have possessed a variety of characteristics. C. the characteristics of a good language learner a number of researchers have drawn up lists of the characteristics of good language learners. i have referred to some of these in filling out the following list produced by wenden(\*1). 1. good language learners find a style of learning that suits them. they are self aware ie they know themselves..Define a good language learner. many researchers have looked at the concept of the good language learner. to determine if someone was a good language learner, naiman et al. (1978 in larson-freeman and long 1991:185) let the 12 learners self profess if they were good language learners or not. this is a potentially unreliable method. Good language learners are prepared to study and practice. as they are aware that language is a formal system with rules and regular relationships between language forms and meaning, they will pay more attention to these features. On the how language learning strategies has morphed into learner self-management (lsm)(elaborated in rubin, 2005). this article suggests the following major sequence of trends in the field: 1. recognition of the concept of the good language learner, 2. focus on describing cognitive and socio-affective strategies, 3. focus on metacognitive

How to become a successful language learner by alison fenner english and german co-ordinator, institution wide language programme introduction your success in learning a language depends on you! you may think that some people are just 'good at languages', but the greatest factor in your success is Learning strategies used by successful language learners tran-hoang-thu this literature review will first survey early research on good language learners (glls) done language learner. 1. good language learners find their own way to learn and take charge of their own learning.

1. the good language learner is a willing and accurate guesser. 2. the good language learner has a strong drive to communicate, or to learn from a communication. 3. the good language learner is often not inhibited. 4. in addition to focussing on communication, the good language learner is prepared to attend to form. Learner-centredness as language education by ian tudor learners' stories: difference and diversity in language teaching edited by phil benson and david nunan 978-0-521-88963-6 - lessons from good language learners edited by carol griffiths frontmatter more information. to my father Consequently, the good language learner of today will be the one using the new media to reinforce his/her use of traditionally understood strategies as well as to develop a new set of competences and related strategies. such learning strategies of the good digital language learner, presented in oxford and The good language learner to one that is prescriptive and ignores learner differences, the more recent and inclusive view is that there are various ways that language learners can be successful. for the
